

Registration Summary

The Alliance for Innovation on Maternal Health (AIM) and the National Institute for Children's Health Quality (NICHQ) are excited to expand upon our successes and further enhance our Quality Improvement (QI) Community of Learning (COL) for 2023! This document covers key registration details for the 2023 QI COL.

Overview

The QI COL is a learning series to develop foundational knowledge and skills for professionals engaged with Perinatal Quality Collaboratives and other state- or hospital-based QI teams who are new to QI. The 2023 QI COL will run twice (beginning in January and May) and will provide participants with the opportunity to apply QI principles to their existing projects.
